

## How to use the Grassroots Music Network

**Note:** It's possible to use the [Forums](#) without being a [Member](#) of the site, but only [Members](#) get access to the full site.

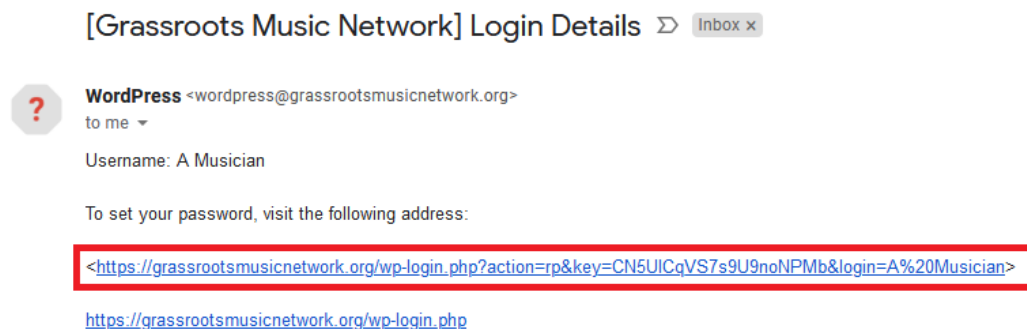

### 1. Member Registration

Go to the **Registration** section on the home page and create your own username using your email address.

Registration

Registration confirmation will be emailed to you. Please check your spam folder if you don't see this email.

Go to your email and click on the link provided to confirm your account. If you don't get the email in a few minutes please check your SPAM folder and mark the email as NOT SPAM.

You will be directed to the site and required to create a password or accept the automatically generated one. Once completed then login.

Enter your new password below.

New password

41DXI5()CELWNf4z 

Strong

Hint: The password should be at least twelve characters long. To make it stronger, use upper and lower case letters, numbers, and symbols like ! " ? \$ % ^ & ).

Reset Password

## 2. Connect with Members

Click on the [Members](#) menu and find the person you'd like to connect with. Click on the **Add Friend** box. You will not be able to use this menu option unless you are logged in.

When the member accepts your friendship you will see an alert in the block bar at the top of the screen.

Click on this to see your **Profile** page.

You can now click on **Friends** to send a message to your friend.
